

STAR GLOW

LED ANTIQUE STYLE GLOBES

Suspension kits for illustrative purposes only.

240v	3W	2400K WARM WHITE				
------	----	------------------------	--	--	--	--

Lifespan: Up to 10,000 hours¹

A very warm colour temp of 2400K ensures a vintage filament type colour. Solid construction with wire bars holding rows of circular set LED's in sprung fashion. They produces as much light as a standard 25W incandescent globe and are fantastic for atmospheric lighting, in a multi-globe pendant light, as well as discreet lighting.

Code:	Style	Wattage	Lumens	Base	Dimmable	Size
18621	A60 CLASSIC	1.5W	115	B22 BAYONET	NO	Ø60 x 109mm
